THE COMMISSIONER OF PATENTS AND TRADEMARKS
Washington, D.C. 20231

AMENDMENT

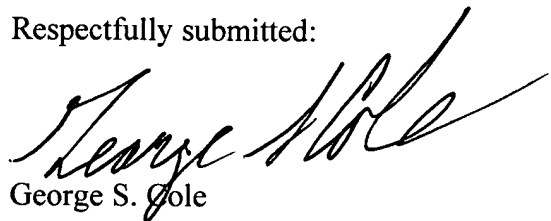

This is a Correction to the originally Non-Compliant Amendment. The Notice stated that a complete listing of all claims was not present, and that "Need to included [sic] 1-30 cancel and 31-111 cancel". The complete claims listing is enclosed.

REMARKS

As the Amendment is a submission for a Request for Continued Examination, and as the documents on file had stated that the claims 1-111 were canceled, it is believed that an extension of time is proper and such is requested.

If the Examiner has any questions concerning this Petition, now-Compliant Amendment or application, please direct the inquiry to George S. Cole at (650) 322-7760.

Respectfully submitted:

George S. Cole
